

## **2021 EVENTS**

### **Please read about this exciting opportunity for June 2021!**

Unfortunately, RIDERS will not be able to hold a June show this year. Bringing in a judge from Quebec or Ontario is impossible due to the need for a 14-day quarantine for anyone coming from outside Nova Scotia. In lieu, we are proposing a coaching opportunity/test riding clinic weekend on **June 12th and 13th** at the Windsor Exhibition grounds.

Saturday would be a day to ride on your own or with your coach in a private session in the main arena. The dressage ring will be in place. Time allotted will depend on the number of participants but will not be less than 30 minutes. Riders will be able to warm up in the Mary Henry arena prior to their session. **Cost per session will be \$20 (RIDERS members) or \$30 (non-members).**

Sunday we will have Sue Fraser, who will act as the judge in a test riding clinic. Riders will ride a test of their choice. It will be scored and then the clinician will have a discussion with the rider on how to improve their performance. The same test will then be ridden and scored again, with an eye to showing improvement. Each session will last approximately 20 minutes. Time permitting (depending on the number of participants) riders may be able to ride a second test. **Cost will be \$25 (RIDERS members) or \$30 (non-members) per test.**

A rider may participate in one or both days. Membership in NSEF will be mandatory. Stabling will be available from Friday afternoon through Sunday at a **cost of \$30 per day.**

In order for RIDERS to go ahead with this plan, we need to know if enough participants would be interested in attending. PLEASE EMAIL [ridersns@gmail.com](mailto:ridersns@gmail.com) to express an interest in participating. If we have sufficient response we will go ahead with the proposed weekend. Please email within the next 10 days so that we can make a decision. More specific information will be made available once we know more. (Note- Expressing interest does not obligate you to attend.)

The proposed weekend would be a relaxed introduction to a show atmosphere for those who have not shown before, and for those veterans of showing it will be the next best thing we can provide in these Covid-19 times. Get out of your barns and join us for a fun weekend!
