ABOUT R.I.D.E.R.S.

R.I.D.E.R.S. came to be in 2002, when the five founding directors decided that Nova Scotia needed more activities for dressage enthusiasts. We have been providing competitions and clinic experiences since then. In 2005, R.I.D.E.R.S. introduced the Seahorse Dressage Circuit, with the support of the Nova Scotia Equestrian Federation. The Seahorse Dressage Circuit is an EC provincial circuit governed by the Rules of EC, but administered within the province of Nova Scotia through the Board of Directors of R.I.D.E.R.S. The Seahorse Dressage Circuit is intended to provide recognized dressage competitions below the National level, at which competitors can earn provincially recognized year end awards, in the form of beautiful lapel pins. The awards bridge the gap between competitions where competitors have been ineligible for awards and national awards programs, encouraging more riders to compete and to develop the skills and confidence necessary to move to nationally ranked competitions. The Seahorse Circuit rules were updated in 2011 and are available for download at http://www.dressageridersns.ca

RIDERS is pleased to announce a partnership with Equestrian Nova Scotia to further develop entry-level dressage in our province and to build capacity for future Equestrian Canada sanctioned competitions. We are excited to offer Scotia Series classes at our two EC Bronze and Gold competitions, held at Hants County Exhibition , securing at least two Scotia Series dressage competitions to be held indoors. The pilot will serve as an opportunity to qualify more athletes for Scotia Series Provincial Championships and Equestrian NS Year-end Awards for designated dressage levels. Points from eligible Scotia Series classes will count towards qualifications for the Scotia Series Provincial Championships typically held in October of each year. In addition, athletes competing for their first time will be exposed to a higher level of competition, learning from more experienced athletes competing at the Bronze and Gold levels. We look forward to welcoming all dressage athletes to our competitions and watching our wonderful sport grow stronger and stronger

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES AND TEMPORARY HORSE REGISTRATIONS:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events. All horses must have a Horse Recording where level and division require.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2025: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a coach on-site can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form. Coaches that are not present at the event with the athlete are not to be listed on the entry form.

> "When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments."
